Chesil Bank Parish Plan

# QUESTIONNAIRE

This questionnaire is the next stage for you to have your say on the future of the Chesil Bank Parishes of Portesham, Abbotsbury, Langton Herring and Fleet.

*Please complete and return by 31st October 2008*

Communities everywhere are constantly changing. The government wants local communities to take more control of their own lives, to say what they want doing in their own neighbourhoods and to engage with other organisations to get it done. You cannot prevent change, but what you can do is influence it. Parish Plans help your community to make change happen. This is an opportunity for everyone in your community to make themselves heard. Parish Plans lay out a shared vision for the community over the next 10+ years and contain a detailed action plan for achieving this vision. It is up to the community to define the issues to be tackled by a Parish Plan.

A Parish Plan sets out how community action can meet local needs, help to prioritise resources and provide important information to help influence the policies, decisions and actions of others. Parish Plans belong to the community, to be delivered by that community or in partnership with other agencies. It is a process by which the whole community can voice their opinions on what actions they wish to see taken in their local area in the future. The plan, when completed may highlight actions that can be taken by community members, be used to influence service providers such as your local authority, and act as evidence of need when applying for funding.

A vital parish plan for the local villages has to be made and consultation with the whole community is essential to find out the wishes of the people. The first step was to have a Mini Survey followed by an Open Day in Portesham Village Hall on November 2007 to explain about the Chesil Parish Plan and to establish the areas which concern this community.

The second stage is an in depth consultation with the whole community by means of this QUESTIONNAIRE. One questionnaire per household should be sufficient but should another be required please phone 01305 871183 or visit the website [www.abbotsbury.co.uk/chesilplan](http://www.abbotsbury.co.uk/chesilplan). We would like this questionnaire to be completed setting out the thoughts of all persons within that household.

The answers you give in this questionnaire will be treated as confidential and you will note that the completion of this form can be done anonymously. Should you wish to volunteer to help in any way or with any of the activities in this questionnaire, then please see the notes on page 3.

After completion of questionnaires, the results will be analysed. Those results will be published so everyone will be aware of the views which have been expressed, and upon which future action plans will be based. This will then be followed by another open day/public meeting and the finalised Plan produced.

The Parish Plan will be used by District and County Councils to decide how to spend public funds. It is up to you, the community, to have your say on how you feel public funds should be spent.
