A TOUR OF THE VILLAGE

PARKING

The village car park is situated in Rodden Row adjacent to the Swan Inn on the main Jurassic Heritage Coast Road running between Weymouth and Bridport.

EXPLORING THE VILLAGE

Walk One: Walking out of the car park by the main entrance takes you back into Rodden Row where you will find John Meaker's art studio, the Abbotsbury Fishing Tackle shop, Purple Nanny (selling eco friendly products) and Dancel's designer wood work gallery.

Abbotsbury has one main street: Market Street begins at the junction between Church Street and Rodden Row (the tight corner!) and becomes West Street about midway through the village.

In Market Street you will find the Abbotsbury Tearooms, Market House and the Bride Valley Farm shop selling local produce, cross the road to Town Farm House airbnb and the Ilchester Arms public house.

Rounding the corner by the Ilchester Arms takes you into West Street where you will find the Artisan Flower and Garden shop. The general store with post office is on the corner of Chapel Lane.

Chapel Lane leads up the hill to St. Catherine's Chapel on the Jurassic Coast Path. There are superb panoramic views from the chapel and it is also possible to walk on from here down to the Swannery or to continue on the Jurassic Coast Path.

The lane at the foot of Chapel Hill, by the kissing gate, branches westwards to the Abbotsbury playground and onwards down to Chesil Beach. From the beach you can walk back to the village past the Sub-Tropical gardens.

If you prefer to continue along West Street you will find The Clock Workshop in West Yard Barn. Further up West Street are Chesil House self-catering apartments and Cowards Lake Farmhouse B&B.

Retracing your steps now back to the centre of the village on the left of the village hall is Back Street where you will find The Old Schoolhouse Tearooms, the 'blue man · blue woman' sculptures and the Helen Millard Glass Studio. A right-hand turn into Rosemary Lane past East Farm B&B will take you back opposite to the car park. The Swan Inn and Swan Lodge B&B are just to your left.

Walk Two: The lane on the south west corner of the car park heads to the Abbey Guest House, the remains of the abbey buildings and to the Tithe Barn Children's Farm. This lane also exits into St.Nicholas Churchyard and thence to Church Street, past Number Five B&B and back to the junction of Rodden Row and Market Street.

Elworth Farmhouse self-catering cottage can be reached driving eastward from Rodden Row for 1.5 miles and turning right at Elworth corner. Gorwell Farm self-catering accommodation and Barn is a 2.0 mile drive inland from Back Street.
