

CHESIL BANK NEIGHBOURHOOD PLAN 2019

1. SURVEY NUMBER ONE - HOUSEHOLD AND HOUSING INFORMATION

This survey is an important way to collect up-to-date information about the views of the local communities in the Chesil Bank Parish to help create its Neighbourhood Plan, which is being developed through a project called Vision4Chesil.

We would like to encourage each member of your household to complete a survey provided they are over 16 years of age. We would appreciate it if you were able to return the survey at one of the drop-off points below or complete it online by the **18th November 2019**

You can complete the survey online by going to:

<https://www.vision4chesil.org>. and clicking on the link for the survey. The survey should only take 10 minutes to complete, unless you have additional comments. Please note that once you have started the online survey you must complete it. It is not possible to save your data and return at a later time.

If you would rather not use the online survey you can return the completed survey at one of the drop off points shown below.

If you require extra copies for other members of your household then please contact your village Neighbourhood Planning representative or you can download copies from vision4chesil.org.

If you need the survey in another format such as large print please contact your village Neighbourhood Planning representative. Their details are in the Newsletter or on the website.

Completed Survey Drop-off points:

Abbotsbury - Post Office, Chapel Lane
Portesham - GP Surgery, Malthouse Meadow
Langton Herring - St Peter's Church Entrance Hall, Church Hill
Fleet - Stone Cottage, Fleet Road

CHESIL BANK NEIGHBOURHOOD PLAN 2019

2. Welcome to the Chesil Bank Neighbourhood Plan Survey Number One - Household and Housing Information

This work, amongst other things, will identify future housing priorities within the four villages that make up the parish.

Based on census and Electoral Roll data, the number of households and population within the parishes is shown below; this survey will help create more current and accurate data on which planning will be undertaken.

VILLAGE(S)	HOUSEHOLDS	POPULATION
ABBOTSBURY	254	480
FLEET	22	71
LANGTON HERRING	107	159
PORTESHAM	349	698
OVERALL	732	1408

We anticipate undertaking a rolling programme of surveys over the next twelve months to create the plan, and this first survey is seen as a crucial input to the Neighbourhood Plan.

To encourage a good response to each of the major surveys, we are offering the opportunity for one completed survey per household to enter a prize draw. As an inducement to complete the survey online there is a prize of £50 and for completed paper surveys a prize of £25.

If you wish to take part in this, please provide your name, postcode and telephone number or e-mail address, so that we can contact you if you have been successful. The prize draw for this survey will take place on the 25th November. Complete the boxes at the end of each survey if you wish to take part in the prize draw.
