

CHESIL BANK NEIGHBOURHOOD PLAN: SURVEY NO 2

1. Employment, Training & Study

This second survey focuses on employment in its widest sense, to include work, study, training or voluntary work. On the assumption that you would rather work locally if possible, then we are interested in whether there are sufficient local jobs for you to access. Consequently, we need to establish the facts about where you work, how far you travel, what aspirations you have in terms of employment and how you might access training in order to fulfill your aspirations.

The responses to this survey will enable us to understand (i) the challenges you face in accessing local jobs, by sector and skill type, and (ii) the barriers preventing you from taking up employment (e.g. lack of transport, skills, training etc). It will also allow us to gather evidence of the types of jobs by sector and skills which you either work in or for those seeing work, aspire to.

In parallel with this survey, we will be asking employers and business owners similar questions and those responses will enable us to determine to what extent their demands correspond with the availability of suitable skills in the community.

We would appreciate it if you were able to return the survey at one of the drop-off points below or complete it online by the 9th March 2020. If more than one member of your household wishes to complete the survey, then please either complete it online, print a copy from the web site or contact your local village representative for an additional copy. You can complete the survey online by going to: www.vision4Chesil.org and clicking on the link for the survey. The survey should only take 10 minutes or so to complete unless you have additional comments. Please note that once you have started the online survey you must complete it. It is not possible to save your data and return to it at a later time. If you would rather not complete the survey online, then you can return the completed paper survey to one of the drop-off points below.

If you need the survey in another format such as large print please contact your local representative. Their details are in the Newsletter or on the website.

PLEASE NOTE THAT IF YOU COMPLETE THIS SURVEY ONLINE THEN YOU CAN IGNORE THE SKIP INSTRUCTIONS. SURVEYMONKEY WILL AUTOMATICALLY TAKE YOU TO THE NEXT QUESTION.
